## ***O.C. Dean***

**April 11 – April 20, 2013**

**March 27, 2013** – The Shumiatcher Sandbox Series 12|13 presents *O.C. Dean* – a quirky drama about a young man named Dean with Obsessive Compulsive Disorder coping with his behaviors.

Dean keeps to himself, stays in his room, and avoids anything or anyone that could disrupt his little world. When one of his compulsive rituals leads to an unfortunate incident, Dean is forced to break out of the confines of his obsessions and let others into his life.

*O.C. Dean* is a series of monologues depicting multiple aspects of Dean's life from the past and the present. The monologues are loosely inspired by Daniel Maslany's obsessive tendencies and stories.
