## **GLOBE THEATRE ANNOUNCES ITS 2022 SEASON AND REVEALS MAIN STAGE DONOR**

**November 9<sup>th</sup>, 2021 - Regina, Saskatchewan** — Globe Theatre announced their 2022 Season at their press event on November 9<sup>th</sup>, 2021 at the Shumiatcher Room in the Conexus Arts Centre. The event also included revealing Gordon Rawlinson as the \$1,000,000 Main Stage Donor for the new building – The Globe at MacCorquodale Place.

The morning event showcased a promotional video for the 2022 season; a fireside chat with Artistic Director, Jennifer Brewin; and Tom Newton speaking on behalf of the Rawlinson’s on their decision to make this contribution.

“Giving back to the communities that Rawlco serves, has been a hallmark philosophy of the Rawlinson Family for the last 75 years. This philosophy continues today with this amazing partnership with Globe Theatre. We believe that the arts are vitally important to creating a vibrant downtown and we are pleased to be part of this new era. We are looking forward to the completion of the The Globe at MacCorquodale Place and opening night on the brand-new Rawlinson Main Stage.” – says Tom Newton.

The 2022 Season will be the first back for Globe Theatre since the pandemic began back in March 2020. All the shows will be performed in the Shumiatcher Room since the downtown Prince Edward Building will remain under construction until it can re-open to the public in winter 2024.

More details about the season announcement and the ReImagine Capital Campaign Renovation can be found on our website, social media pages, and the media packet attached.
